One day Seminar on Entrepreneurship Development

After graduation every one may not get a good job. The fact is there are immense possibilities of business in India. Moreover Govt. of India is giving more thrust and providing incentives to those who want to be an entrepreneur. Taking leaf out of govt. Policies college organized the one day seminar on Entrepreneurship Development that student in future should become job giver instead of job seeker.

The seminar was conducted in two sessions. In the first session Hon'ble Principal elaborated the importance of becoming an entrepreneur. In the second session Hon'ble Principal gave detailed information about problems that have to be faced by a person in setting up an industry or a small plant. In this session some leaflets were distributed to students containing the some information on entrepreneurship development.

On this day around 65 students have participated. Dr, Milind Mane was present as guest of honor

Pogramme by PradhanMantri Koushalya Kendra Osmanabad

Government of India has started PMKVY (Pradhan Mantri Koushalya Vikas Yojana), to develop minimum skills in the youths of nation so that they easily get the job after they finish their graduation. Under this campaign Placement cell of the college through District Center for PMKVY organized a programme for taking the various course in this center. The team of centre lead by MrSuraj Jagtap gave information of about various skills (such as IT, Accounting, BPO etc) that are needed to get a placement in Govt. as well as in private sectors. On this day pamphlets of the Centre were distributed.
