Department of Chemistry

Academic Year 2019-20

15 August 2019 Wall Paper Presentation

Wall paper presented by BSc II students. The wall paper is inaugurated by Dr. Prashant Choudhary sir, Dr. Jayashree Kulkarni madam, Dr. Vinodkumar Viyachal sir, Dr. Makarand Choudhari sir, Mr. Pradeep Joshi sir. The students participated are Aniket Sonwane, Sujit Korke, Omprakash Shinde, and Akshay Thombre.

19/09/2019 Disaster Management Work shop for Laboratory Safety

Department of chemistry has organized a Disaster Management Work shop for Laboratory Safety. Mr. Anant Gayake had given valuable information about the gas burner handling, how the fire safety cylinder is operated. What type of precaution should be taken while doing the practical's in the laboratory.

04/12/2019 Value Added Course

(Thin Layer Chromatography (TLC) techniques in separation and Identification of organic compounds for industrial training)

Department of Chemistry has started Value Added Course for 30 days for BSc Chemistry Students, this course is useful for getting jobs in chemical industry because TLC techniques mainly used in every Chemical and Pharmaceutical Industry. This Course is for 30 days. Course includes theory as well as practical's techniques. This course is certificate course. With the help of this technique we can identify as well as Separate Organic and Inorganic chemicals very easily. This method requires less instrumentation, less money and having high accuracy.

11/12/2019 Participation in "ONE DAY SEMINAR "at Jawahar College Andur

Jawahar Arts, science and commerce college Andur, was organized a one day seminar on Science and its utility. Our college four students and one teacher have participated in that seminar. They also participated in the poster compition at the same place. Name of students are Ram Bachute, Sham Bachute,

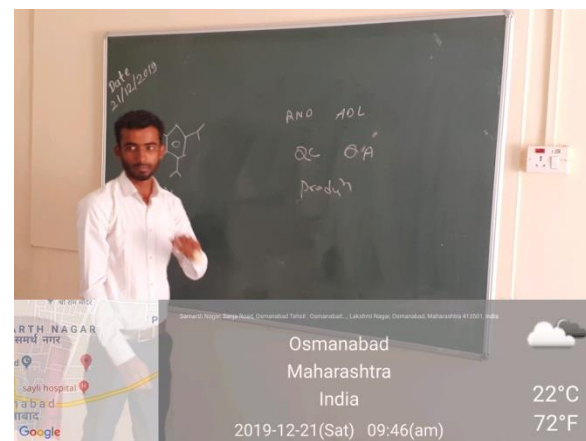

21/12/2019 *Guest lecture*

By Mr. Imran Sayyad (Quality In-Charge Aza Chem Pvt. Ltd Bidar)

On (Thin Layer Chromatography (TLC) techniques in separation and Identification of organic compounds for industrial training)

Mr. Imran Sayyad Delivered lecture on above mentioned subject, he suggested student's to attend laboratory practicals regularly and seriously. He also gave information about how to work in industry and how to follow safety rules. He emphasises the technique used in the pharmaceuticals industry.

30 and 31/12/2019 Month wise Unit test for B. Sc I, II, III

Chemistry department's one of the best the best activity i.e. Month wise unit test. The students participated in the unit test. Students prepare one chapter or lesson and on that they give the exam. After two days department has declared the result.

Exam appeared students

01/01/2020 Wall Paper Presentation

Wall paper presented by B.Sc III students. The wall paper is inaugurated by Dr. Prashant Choudhary sir, Mr. Sachin Mahajan, Dr. Makarand Choudhari sir, Mr. Pradeep Joshi, Mr. Shivaji Khadke. The students participated are Aniket Sonwane, Sujit Korke, Omprakash Shinde, and Akshay Thombre

26/01/2020 QR (Quick response) Code Inauguration

On the Occasion of republic day Department of Chemistry has inaugurated QR code for Access of Books and joining whatsapp Group for students. QR code was inaugurated by Respected Dr. Abhay Shahapurkar, Mr. Sheshadri (Anna) Dange. For this function and inauguration Principal of our college Dr. Prashant Chaudhary, Dr. Makarand Choudhari (Head) and all Chemistry Faculty, students were present.
