**Tapaswi Public Charitable Trust, Yeoti's**  
**Venkatesh Mahajan Senior College, Osmanabad**  
**Action Taken Report on the Feedback**  
**Academic Year-2021-22**

To enhance the quality of teaching and learning Venkatesh Mahajan Senior College collected online feedback from the stakeholders (student, alumni, teacher and employer) towards the curriculum, teaching, learning and evaluation. This information is used as important feedback for quality improvement of teaching and learning process of the institution.

**Action Taken:-** The stakeholder's responses were analysed to prepare the summarized reports. This report was communicated with the affiliating university, Dr. B.A.M.U. Aurangabad.

**1) Students Feedback Analysis Report:-** Students feedback was collected online by feedback committee of the college. Total 84 students submitted their responses on curriculum. The feedback is based on following metrics:

- **Coverage of current issues:-** Total 41.0% students strongly agreed that curriculum has covered current issues. 39.8% students agreed to the same. 16.9% students are satisfied with the reflection of current issues in syllabus while 2.4% students are not satisfied with the syllabus in this regard.
- **Capability of increasing interest:-** Total 49.4% students strongly agreed that curriculum has capability of increasing interest. 33.7% students agreed to the same. 15.7% students are satisfied with the capability of increasing interest in syllabus while 1.2% students are not satisfied with the syllabus in this regard.
- **Employability:-** Total 46.3% students strongly agreed that curriculum has potentiality to get employment. 30.5% students agreed to the same. 18.3% students are satisfied with the employability of the syllabus while 4.9% students are not satisfied with the syllabus in this regard.
- **Knowledge and skill enhancing:-** Total 53.7% students strongly agreed that curriculum has learning values in terms of knowledge, skills and capabilities. 28.0% students agreed to the same.
- **Availability of the additional source material:-** Total 45.8% students strongly agreed that additional source material is available in the library. 27.7% students agreed to the same. 22.9% students are satisfied with the available source material in the library while 3.6% students are not satisfied in this regard.
- **Orderly and user friendly structured:-** Total 30.1% students strongly agreed that curriculum is orderly and user friendly formed. 41.0% students agreed to the same. 24.1% students are satisfied with the structure of syllabus while 4.8% students are not satisfied with the syllabus in this regard.
- **Reasonableness and supportiveness of practical syllabus:-** Total 26.5% students strongly agreed the reasonableness and supportiveness of practical syllabus. 38.6% students agreed to the same. 31.3% students are satisfied with the insight and

supportiveness of practical syllabus while 3.6% students are not satisfied with the syllabus in this regard.

## II) Action taken for Teachers Feedback for the Academic year 2021-22

Concern teachers have submitted feedback on curriculum.

- 53.3% teachers strongly agree to the well balanced syllabus in terms of theory and application while 46.7% agree to the same.
- 50.0% teachers strongly agree to the clearly defined objectives in the syllabus while 46.7% agree to the same. Whereas 3.3% teachers are neutral in this regard.
- 53.3% teachers strongly agree to the update and coverage of syllabus by prescribed books journals and resource material while 46.7% agree to the same.
- 53.3% teachers strongly feel that the course syllabus has increased his/her knowledge in the respective subject area while 46.7% agree to the same.
- 56.7% teachers strongly agree to enjoy liberty regarding teaching methods and use of new technology while 43.3% agree to the same.
- 60.0% teachers strongly agree to the freedom provided by college authorities to use new technologies/ strategies to measure student performance while 40.0% agree to the same.
- 70.0% teachers strongly agree to the conduct of test and examinations in time and covering of all point from the syllabus while 16.7% agree to the same. And 3.3% don't agree.
- 46.7% teachers strongly satisfied about the availability of the required books to the while 50.0% satisfied to the same. And 3.3% are not satisfied.
- 73.7% teachers have accepted to submit their feedback to BoS ( Board of Studies) of the affiliating university for further action while 26.7% teachers don't submit it.

**Action taken:-** Some teachers have suggestions regarding syllabus to the Board of Studies as following:

- 1) During last 6 to 7 years syllabus was not revised. In teachers feedback it is suggested to update the syllabus regularly.
- 2) In teachers feedback it is suggested that the syllabus should have more professional skills.
- 3) Board of Studies for History should form their syllabus within limit so the teachers can get enough time to teach and syllabus can be completed in time. The syllabus prescribed by last BoS is vast and not possible to cover within a semester.

## III) Action taken for Employer's Feedback for the Academic year 2021-22

Total three employers have submitted response on curriculum feedback.

- ❖ 66.7% employers have strongly agreed to employability of the syllabus and rest 33.3% agree to the same.
- ❖ 100% respondents agree that the syllabus is need based as per current trends in market.
- ❖ 33.3% respondents strongly agree that the syllabus match with demands of the job market, 33.3% agree to the same and 33.3% are satisfied for the same.
- ❖ 33.3% employer strongly accepts fact that the syllabus offers knowledge and skills while 66.7% only accepts for the same.
- ❖ 33.3% strongly agree to the good balance of syllabus between theory and application 33.3% agree to the same and rest 33.3% are satisfied for the same.
- ❖ 66.7% respondents agree to the efficiency of the syllabus to develop professional skills and ethical values and the rest 33.3% are satisfied for the same.
- ❖ 33.3% respondents strongly agree that the syllabus is capable to improve technical skills, 33.3% agree to the same and 33.3% are satisfied for the same.
- ❖ 100% respondents agree that the syllabus fulfils communications skills required by industry.
- ❖ 100% respondents agree that the syllabus contains aptitude and problem analysis skills.
- ❖ 66.7% respondents agree to the capability of the syllabus to carry out duties efficiently and the rest 33.3% are satisfied for the same.

#### IV) Action taken for Alumni Feedback for the Academic year 2021-22

Total thirty nine alumni have submitted response on curriculum feedback.

- Rate the course that you have done in relation to your current job/occupation:- For this metric total 46.2% respondents have rated 'excellent', 12.8% rated 'very good', 17.9% rated 'good', 7.7% rated 'average' and 15.4% respondents have rated the course they have done as 'poor'.
- The syllabus was updated enough:- For this metric total 41.0% respondents have rated 'excellent', 20.5% rated 'very good', 7.7% rated 'good', 7.7% rated 'average' and 12.8% respondents have rated for the modernization of the course they have done as 'poor'.
- The course was useful for employment:- For this metric total 46.2% respondents have rated 'excellent', 12.8% rated 'very good', 17.9% rated 'good', 7.7% rated 'average' and 15.4% respondents have rated for the usefulness for employment of the course they have done as 'poor'.
- The syllabus helped me to learn new skills:- For this metric total 43.6% respondents have rated 'excellent', 17.9% rated 'very good', 7.7% rated 'good', 12.8% rated 'average' and 17.9% respondents have rated regarding the new skills they develop through the course they have done as 'poor'.

Action Taken Report on the Feedback  
Academic Year-2022-23**

To enhance the quality of teaching and learning Venkatesh Mahajan Senior College collected online feedback from the stakeholders(student, alumni, teacher and employer) towards the curriculum, teaching, learning and evaluation. This information is used as important feedback for quality improvement of teaching and learning process of the institution.

**Action Taken:-** The stakeholder's responses were analysed to prepare the summarized reports. This report was communicated with the affiliating university, Dr. B.A.M.U. Aurangabad.

**I) Students Feedback Analysis Report:-** Students feedback was collected online by feedback committee of the college. Total 85 students submitted their responses on curriculum. The feedback is based on following metrics:

- **Coverage of current issues:-** Total 42.4% students strongly agreed that curriculum has covered current issues. 40% students agreed to the same. 14.1% students are satisfied with the reflection of current issues in syllabus while 3.5% students are not satisfied with the syllabus in this regard.
- **Capability of increasing interest:-** Total 39.3% students strongly agreed that curriculum has capability of increasing interest. 35.7% students agreed to the same. 20.2% students are satisfied with the capability of increasing interest in syllabus while 4.8% students are not satisfied with the syllabus in this regard.
- **Employability:-** Total 43.5% students strongly agreed that curriculum has potentiality to get employment. 34.1% students agreed to the same. 20% students are satisfied with the employability of the syllabus while 2.4% students are not satisfied with the syllabus in this regard.
- **Knowledge and skill enhancing:-** Total 45.8% students strongly agreed, 25.3% student agreed for the same, 24.1% are satisfied and that curriculum has learning values in terms of knowledge, skills and capabilities. 4.8% students are not satisfied with the syllabus in this regard.
- **Availability of the additional source material:-** Total 40% students strongly agreed that additional source material is available in the library. 32.9% students agreed to the same. 14.1% students are satisfied with the available source material in the library while 12.9% students are not satisfied in this regard.
- **Orderly and user friendly structured:-** Total 36.5% students strongly agreed that curriculum is orderly and user friendly formed. 38.8% students agreed to the same.

17.6% students are satisfied with the structure of syllabus while 7.1% students are not satisfied with the syllabus in this regard.

- **Reasonableness and supportiveness of practical syllabus:-** Total 28.6% students strongly agreed the reasonableness and supportiveness of practical syllabus . 40.5% students agreed to the same. 25% students are satisfied with the insight and supportiveness of practical syllabus while 6% students are not satisfied with the syllabus in this regard.

**Action taken:-**

- 1) Students are quite satisfied with the first metric.
- 2) According to 39.3% students the syllabus is very good but the syllabus could be more interesting if the BoS makes change accordingly.
- 3) Though the college is providing Certificate Courses and Skill based Courses still according to feedback it seems some strong steps should be taken to enhance the employability of the syllabus. By taking into consideration the employability needs the syllabus needs to be revised.
- 4) Syllabus should incorporate more skills so that it could enhance the knowledge and capability of students.
- 5) Number of titles has increased according to the demands of students.
- 6) Syllabus is easy, well organized and easy to follow.
- 7) Majority of students are satisfied with practical syllabus.

**II) Action taken for Teachers Feedback for the Academic year 2022-23**

Concern teachers have submitted feedback on curriculum.

- 46.7% teachers strongly agree to the well balanced syllabus in terms of theory and application while 46.7% agree to the same. 6.6% teachers are disagreed to the same.
- 40% teachers strongly agree to the clearly defined objectives in the syllabus while 60% agree to the same.
- 46.7% teachers strongly agree to the update and coverage of syllabus by prescribed books journals and resource material while 53.3% agree to the same.
- 33.3% teachers strongly feel that the course syllabus has increased his/her knowledge in the respective subject area while 60% agree to the same. Whereas 6.7% teachers are disagree to the same.
- 86.7% teachers strongly agree to enjoy liberty regarding teaching methods and use of new technology while 13.3% agree to the same.
- 93.3% teachers strongly agree to the freedom provided by college authorities to use new technologies/ strategies to measure student performance while 6.7% agree to the same.
- 80% teachers strongly agree to the conduct of test and examinations in time and covering of all point from the syllabus while 20% agree to the same. And 3.3% don't agree.
- 40% teachers strongly satisfied about the availability of the required books to the while 60% satisfied to the same. And 3.3% are not satisfied.

- 80% teachers have accepted to submit their feedback to BoS (Board of Studies) of the affiliating university for further action while 20% teachers are neutral in this regard.

**Action taken:-** Some teachers have suggestions regarding syllabus to the Board of Studies as following:

- 1) During last 6 to 7 years syllabus was not revised. In teachers feedback it is suggested to update the syllabus regularly.
- 2) In teachers feedback it is suggested that the syllabus should have more professional skills.
- 3) Board of Studies for History should form their syllabus within limit so the teachers can get enough time to teach and syllabus can be completed in time. The syllabus prescribed by last BoS is vast and not possible to cover within a semester.

### III) Action taken for Employer's Feedback for the Academic year 2022-23

One employer has submitted response on curriculum feedback. The employer is satisfied with the syllabus, its employability, its need as per current trends. The syllabus is capable to fulfil according to the job market demands. The employer is satisfied with its expertise to impart knowledge and develop skills, its ability to keep balance between theory and application.

### IV) Action taken for Alumni Feedback for the Academic year 2022-23

Total nine alumni have submitted response on curriculum feedback.

- Rate the course that you have done in relation to your current job/occupation:- For this metric total 44.4% respondents are strongly satisfied. 33.3 respondents are satisfied and 22.2% respondents are neutral in this regard.
- The syllabus was updated enough:- For this metric total 88.9% respondents have rated 'Agree' and 11.1% respondents are neutral for the modernization of the course they have done.
- The course was useful for employment:- For this metric total 100% respondents have rated 'strongly satisfied' for the usefulness for employment of the course they have done.

**Action taken:-** Our alumnus has a following suggestion :

- 1) Activity based components should be increased in syllabus.
