Career Counseling Report

Session on career counseling was held on Date 30/09/2019 on higher education and career opportunities. One career professionals (Dr. K. Sunder) from Hyderabad University came to Venkatesh Mahajan Senior College Osmanabad, to guide the students in choosing of their career in higher studies. Here are some snapshots taken: Students were keen and listen to the career professional carefully. Many questions were asked by the students and the career counselors beautifully answered them all. The session was quite interesting and enthusiastic.

There are many career options available across the globe. From well established professions such as medicine to MBA to a new age career options like MPSC, UPSC, Pharmacy industry, Bed, wildlife photography,

Music, theatre, media etc. Students, today, have many choices for their career. So that choosing of a career is nothing sort of a nightmare and stressful for both students and their parents. Therefore, Career counseling is very crucial. The central question for any student is what should I be doing in life, this very question can be easily answered by career counselor or students can get many perspectives by joining career counseling session. Realizing this importance of career counseling venkatesh Mahajan Senior College, Osmanabad has successfully organized two career counseling session in the 2019-20.

Career Counseling No-2 Shree Ram College, Rampur successfully organized a national webinar on Higher education Roadmap in National Education Policy 2020 and Career Counseling on Date 14th Aug 2020. The webinar was not only on NEP 2020 but also on career counseling. Many students, researchers, teachers and other professional from across the state joined the webinar. For career counseling an academic consultant (Dr. K. Sunder) from Hyderabad University was invited. He focused on Distance Education and Career Opportunities. He explained beautifully on the theme.

The other speakers Principal Prof. Dr. Prashant Chaudhari, Coordinator Dr. Makarand Choudhari and Mr. Abhay Shinde also gave pieces of good advice on Higher Education and career opportunities to students. Here are some of the screenshots taken. Many queries were asked and beautifully explained by resource persons. At the end of the session, students were suggested on what can be done in the

next couple of years across areas like career planning, academic success and personal and social development.

Dear *Ser/Madam*,

Ministry of Skill Development and Entrepreneurship is planning to initiate a Mega Counselling exercise with the view to expose students of schools and colleges as well as dropouts to the skill eco system and provide alternate/complimentary career pathways based on their aspirations and profiles. This is a part of the larger Skill India Mission which was launched by Government of India to empower the youth of the country with skill sets which make them more employable and more productive in their work environment.

2. This counselling program has been designed such that it will entail technology for the psychometric assessment of the candidates as well as person to person session. This process has been designed such that students are given a comprehensive feedback on the career pathways. As a part of the session, the students will also be provided with the details of the nearest training centers where they can further pursue the details of the programs available.

3. MSDE is in a process of rolling out this program through PMKK's (Pradhan Mantri Kaushal Kendra) wherein more than 450 PMKK's across India has been nominated as counselling centers. However, in order to benefit maximum number of students, MSDE would like further create touch points apart of PMKK's through various Central and State Government Institutions. We would like seek support from State Education Departments/Directorates for utilizing premises of State run & other affiliated Schools(Both Government and Private) and State University Campuses and its affiliated Colleges(Government and Private) for rendering counselling sessions to the both the students from the schools/colleges as well as other candidates from the vicinity. National Skill Development Corporation counselling teams shall coordinate with the nominated officers/Principals from your department for identification of space for setting up counselling camps, mobilizing of students and support for counselling the students. NSDC Counselling team shall coordinate with the nominated local officers firming up the details for counselling sessions on a mutually convenient date and time.

We look forward to your support for making this program a success.

Regards,

Yours sincerely,

Rajesh Agrawal
