Republic Day (26/01/2022)

Preparation and Distribution of Hand sanitizer

As we are facing a global health crisis by the Corona Virus Disease (COVID-19), it was our objective to extend our helping hands to those who give frontline service to the community. Based on this, we have decided to prepare and distribute hand sanitizer to students, staff, and community.

Given the threat raised by the CORONA virus, Teachers of the Dept. of Chemistry decided to prepare and distribute hand sanitizer to the deserved ones in the nearby locality. Under the supervision of Dr. Makarand Choudhari, Head Department of the Chemistry, the teachers as well as the students of the Department, prepared isopropyl alcohol-based sanitizer sticking to the existing standard procedures and then filled in small (100 ml) bottles.

The sanitizer distribution was officially inaugurated on **26/1/2022** by the College Principal Dr. Prashant Chaudhari by giving the first sanitizer bottle to Hon. Adv. Milindji Patil (Secretary T.P.C.T.Yeoti). Dr. Abhay Sahapurkar delivered the felicitation speech on the occasion. After that Sanitizer bottles were distributed to the College students, staff, and local community. On the same day, sanitizer bottles were supplied to the administrative staff of our college.

Leaflets explaining the basic precautions to be taken against the Pandemic were also distributed along with the sanitizer bottles. The College Principal Dr. Prashant Choudhari has rendered full support for the successful execution of this extension activity to the nearby community and she wholeheartedly joined with the teachers while supplying the sanitizer.

Academic Year – 2021-22

Procedure Adopted for Preparation of Sanitizer

There are two main types of hand sanitizers: alcohol-based and alcohol-free. Alcohol-based hand sanitizers contain varying amounts and types of alcohol, often between 60% and 95%, and usually isopropyl alcohol, ethanol (ethyl alcohol), or n-propanol. Alcohol is known to be able to kill most germs. Here we have taken Isopropyl alcohol as the base and the other ingredients include, Hydrogen Peroxide, Aloe vera gel, and appropriate odouring agents.

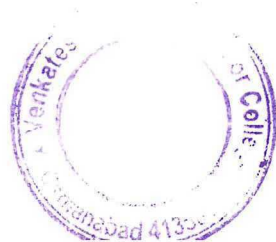

Corona virus (COVID-19), the new name for the disease being caused by the recent corona virus, SARS-CoV-2 is all over the news. A lot of information is being presented about how help prevent Corona virus (COVID-19) from affecting you and your family. Perhaps the most important thing to know is that medical experts agree on this: One of the best ways to stay healthy is to wash your hands with hand sanitizer.

When shopping for hand sanitizer, make sure you choose a sanitizer that contains between 60-95% alcohols. Also, when you use hand sanitizer, make sure you do so the right way. Alcohol is effective at killing different types of microbes, including both viruses and bacteria, because it unfolds and inactivates their proteins.

This process, which is called denaturation, will cripple and often kill the microbe because its proteins will unfold and stick together. Since the outbreak of COVID-19, sales of hand sanitizers have soared. It's become such a sought-after product that pharmacies and supermarkets have started limiting the number that people can buy at one time. Though hand sanitizers can help reduce our risk of catching certain infections, not all hand sanitizers are equally effective against corona virus.

There are two main types of hand sanitizers: alcohol-based and alcohol-free. Alcohol-based hand sanitizers contain varying amounts and types of alcohol, often between 60% and 95% and usually isopropyl alcohol, ethanol (ethyl alcohol) or n-propanol. Alcohol is known to be able to kill most germs.

Alcohol-free hand sanitizers contain something called quaternary ammonium compounds (usually benzalkonium chloride) instead of alcohol. These can reduce microbes but are less effective than alcohol.

Tapaswi Public Charitable Trust, Yeoti's

Venkatesh Mahajan Senior College, Dharashiv (Osmanabad)

Department of Chemistry and NSS

Academic Year – 2021-22

Not only are alcohol-based hand sanitizers found to be effective at killing many types of bacteria, including MRSA and *E coli*, they're also effective against many viruses, including the influenza A virus, rhinovirus, hepatitis A virus, HIV, and Middle East respiratory syndrome corona virus (MERS-CoV)

Alcohol attacks and destroys the envelope protein that surrounds some viruses, including corona viruses. This protein is vital for a virus's survival and multiplication. But a hand sanitizer needs to be at least 60% alcohol in order to kill most viruses.

Hand sanitizers with less than 60% alcohol were also found to be less effective at killing bacteria and fungi and may only reduce the growth of germs rather than killing them outright.

Alarm over corona virus has caused a run on hand sanitizers. And now, sanitizers from Purcell and other brands are exceedingly hard to come by. Where it isn't sold out, enterprising sellers are charging outrageously inflated prices simply because they can. If you don't have any hand sanitizer, you're not likely to get some while the manufacturers create enough supply to meet the frenzied demand caused by panic over corona virus.

The present scenario created a huge scarcity of sanitizers in the market which made a panic situation among the people. And it's really hard if it's not available in a place where people meet. Likewise the situation in our college. In order to overcome the situation in our college, and to distribute it among the people inside our college.

QR Code: A Pocket Library (26/01/2022)

On the Occasion of republic day Department of Chemistry has inaugurated QR code for Access of Books and joining whatsapp Group for students. QR code was inaugurated by Respected Dr. Abhay Shahapurkar, Mr. Sheshadri (Anna) Dange. For this function and inauguration Principal of our college Dr. Prashant Chaudhary, Dr. Makarand Choudhari (Head ,Dept. of Chemistry) and all Chemistry Faculty members and students were present.

The purpose of using QR Code Technology is to overcome Covid-19 disaster and to continue the preparation of university examinations. By definition, QR Codes are readable barcodes that store various types of data (e.g., the URL of a website, a YouTube video, address, contact information, business card, email, plain text, among others).

Since its introduction, QR Code technology has gained a strong foothold in the field of education as more and more teachers and students are using it to revamp old ways of learning and teaching and to explore new learning opportunities that were not available before.

- ❖ Create interactive and engaging content
- ❖ Share resources with students
- ❖ Provide help with homework
- ❖ Communicate with parents and the school community
- ❖ Integrate QR Codes in reading activities in and outside class
- ❖ Gather student's feedback, and many more.

In continuation with above content, we have created some QR codes for B. Sc. and M.sc students to easy access of chemistry study materials as well as Chemistry reference books also embedded in QR code, which was used by 200+ of (UG and PG) students to access books. Simultaneously we have embedded College website, departmental website, WhatsApp groups, and admission links.

Department of Chemistry is very much thankful to our Hon'ble Adv. Milindji Patil (Secretary Tapaswi public Charitable Trust Yeoti), Hon'ble Sheshadri Dange (Treasure Tapaswi Public Charitable Trust Yeoti), Principal Dr. Prashant Chaudhari for financial and moral support.

International Yoga Day (21/06/2022)

“Yoga for youth - achievement of the Sustainable Development Goals”

The International Yoga Day was celebrated on 21st June to bring peace, harmony, happiness and success to every soul in the world. The National Service Scheme and Sports Department were jointly organized a Yoga Pranayama programme in the college on the occasion of International Yoga Day.

This was a great opportunity to imbibe the value of discipline. Yoga is a mental, physical and spiritual practice that needs to be carried every day. Children got the chance to know how yoga embodies unity of mind and body. The students of our college with the teachers performed Yoga between 6:30 am to 8:30 am.

The theme for this year's yoga day was “Yoga for youth and achievement of the Sustainable Development Goals”. Various asana were followed by omkar chanting. Warm-up exercises, sitting and standing asana were performed. Different yoga postures like Vrikshasana, Uttaanaasana, Trikonaasana, Bhadrasana, Shashankaasana, Bhujangasana, Pawana Muktaasana, finally ended with Pranayama and meditation. This day is the longest day of the year also known as the summer solstice. They gave a brief history of the origin of yoga. It is a gift of India's ancient tradition. Yoga is said to be practiced from the 5th century. This was passed on to future generations. Yoga was actually done by sages as a holistic approach to God. Later on, it was passed to the common people. The event helped us feel confident and content physically, mentally and spiritually. Prayers were recited before and after the programme.

Dr. Vinodkumar Vaychal, Head department of Hindi, of the college, imparted training in Yoga and Pranayama. Heartfelt thanks to our Principal Dr. Prashant Choudhari for giving an opportunity for College to celebrate the International Yoga Day. This year's yoga day celebration was held with great enthusiasm at our College. A large number of students, teaching and non-teaching staff attended the event this year.

TREE PLANTATION (07 JULY 2021 & 8 MARCH 2022)

Venkatesh Mahajan Senior College Osmanabad under the National Service Planning Department, Botany department and Mahila kaksh jointly organized a Tree plantation in the college after the onset of monsoon in the month of July like every year. Similarly, tree planting was also done this year.

A total of 20 trees were planted in the college this year, including coconut root and some Medicinal plants and trees. College staff dug pits here. These pits were initially filled with manure and planted with trees.

Hon'ble Secretary of the Institute Shri. Milind Patil Saheb and Treasurer Shri. Seshadri Dange (Anna), Dr. Abhay Shahapurkar, Shri. Kamlakar Patil and the principal of the college Dr. Prashant Chaudhary, Shree Pathak, Mr. Ravindra Salunke, Dr. Makrand Chaudhary, Head, National Service Planning Department, Mr. Dinkar Rasaye, Mr. Abhay Shinde, Suresh Khandekar, Balasaheb Patil, Ravindra Sarvade, Pappu Yadav, Sandeep Malkunaik and volunteers of Rashtriya Seva Yojana were present here.

Hand Sanitizer (26/01/2022)

On the occasion of Republic day, the department of chemistry took a project of preparation and distribution of hand sanitizer to the needy people. The department had prepared a 50 liter of hand sanitizer. In that preparation the alcohol is 70 Percent, distilled water is 3percent , glycerin 1 percent, hydrogen peroxide 1 percent, are added and all mixture is taken for incubation period of an 24 hour and then mixture is filled into 150 bottles. All these bottles are distributed to needy people in colleges and community.

In preparing this sanitizer, Dr. Makrand Chaudhary, Head Department of Chemistry, Mr. Nitin Tupsamindar and Mr. Shivaji Khadke gave the project to the students of B.Sc.III (10 student).

Similarly, the principal of the college Dr. Prashant Chaudhary also provided valuable guidance. The management of the college also gave the financial support to that project.

BLOOD DONATION CAMP

12/04/2022

A Blood Donation Camp was organized by NSS Unit, Venkatesh Mahajan Senior College Osmanabad in association with Hedgewar Blood Bank Solapur on an occasion of Dr. Babasaheb Ambedkar Birth anniversary in college campus. The camp began at 9:00 A.M with a short inaugural function by Chief Guest of the Blood Donation Camp, Hon. Rekhtaiji Mahajan (Mentor) , honorable Chairman Adv. Milindji Patil Saheb and Principal Dr. Prashant Chadhari expressed his gratitude to the NSS unit of the College for its continuous endeavor in this regard. Principal Dr. Prashant Chadhari encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren and he also stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Dr. Makarand Choudhari, NSS Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause.

25 units of blood were donated by both students and the staff members of our Educational Institution. It is a way of Venkatesh Mahajan Senior College gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

REPORT ON VACCINATION DRIVE 2021-22

'MISSION YUVA SWASTHYA'

REPORT ON VACCINATION DRIVE 2021-22

30TH October 2021 in the view of Covid-19 pandemic the Management of college have organized a Vaccination Drive for college students and staff at Venkatesh Mahajan Senior College Osmanabad, in order to keep them protected from corona virus. This Vaccination drive inaugurated by Hon. Milindji Patil (Secretary TPCTY), Dr.Vikrant Rathod, Dr. Khan, Mr. Mahadev Shingare and all Staff of District civil Hospitals came and give covid vaccine dose. Dr. Prashant Choudhari (Principal), Mr. Ravindra Kulkani, Mr. Ravindra Sarvade, Dr. Makrand Chaudhary (District Coordinator NSS) Dinkar Rasave(NSS Program Officer) Rashtriya Seva Yojana thank all. .

Covid-19 Vaccination programme was organized for the students, their parents and staff members of the College on 30th October 2021 in the college campus from 10 am to 4 pm in collaboration with Civil Hospital osmanabad and National Service Scheme of college Around 81 students, parents and staff members including teaching and administrative members were given Covishield as vaccine first and second doses as per their vaccination schedule. Later on they were asked to follow the suggestions as per doctor's advice.

The Health Minister of Maharashtra state, Mr. Rajesh Tope had announced about special inoculation drive for the student's age group of 18 to 25 that the Covid-19 vaccination among the youth is the need of the hour as colleges and universities have started to open in the state from 20th Oct 2021. The Government of Maharashtra had started a week-long vaccination drive for college students in the state from 25th Oct to 2nd Nov 2021, under the campaign, 'Mission Yuva Swasthya'. The teachers and students will be inoculated as part of the drive. The college has taken online survey prior to the vaccination drive to collect data, so that the vaccination drive will be organized in appropriate way. About 50 percent students have participated in this online survey conducted through Google Form.

FIT INDIA FREEDOM RUN 2.0

75
Azadi Ka
Amrit Mahotsav

Fit India Freedom Run 2.0
Starting from 13th Aug- 2nd Oct

FIT India Mission has conceptualized **FIT INDIA FREEDOM RUN 2.0** to commemorate the 75th Independence Day – “Azadi Ka Amrit Mahotsav”. Nationwide campaign will be on the concept of “Physical/Virtual Run” in continuum from 13th August to 2nd October 2021 to encourage fitness and help us all to get freedom from obesity, laziness, stress, anxiety, diseases etc. The concept behind this run is that “It can be run anywhere, anytime!”.

Fit India Freedom Run 2.0 aims at “Jan Bhagidari se Jan Aandolan”

Fit India Freedom Run to culminate on Gandhi Jayanti, 2nd October, with nationwide Fit India Plog Run.

Fit India Movement: Hon'ble Prime Minister Narendra Modi launched the Fit India Movement on the occasion of National sports day at the Indira Gandhi Indoor Stadium in New Delhi.

Our institute will be organizing various exercises during the activity periods under FIT INDIA MOVEMENT.

The NSS Unit of the institute is encouraging all medical students to take up more physical activities like running, cycling, walking, outdoor games, and yoga activity.

Fit India Freedom Run will be held from 15th August – 2nd October 2020 to encourage fitness and to get freedom from obesity, laziness, stress, anxiety, diseases, etc. The concept behind this run is that “It can be run anywhere, anytime!”

Student will-

Run a route of his/her choice, at a time that suits him/her.

Election Awareness Programme (19 May 2021)

In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote.

To sensitize the voters about the importance of participation in an electoral process and to ensure a responsive, accountable and democratically elected government of India has decided to celebrate January 25 every year as 'National Voters' Day' (राष्ट्रीय मतदाता दिवस).

In these context National Service Scheme (NSS) unit and Political Science Department of Venkatesh Mahajan Senior College, Osmanabad, has arrange a guest lecture by Dr. Mehtre sir and also conducted various programme to create voting awareness in common people with the significance to encourage more young voters to actively take part in the election process to create transparent democratic nation.

HEALTH CHECK UP AND HIV AWARENESS CAMP (10/12/2021 & 13/04/2022)

Venkatesh Mahajan Senior College Osmanabad organized a Free Health Check-up Camp and HIV Awareness programme on 10th December 2021 at its campus. It was conducted in association with civil Hospital Osmanabad Family Health Experts.

Health Check-up Camp and HIV Awareness programme was organized in the college by National Service Scheme department. This programme was inaugurated by Dr. Abhay Shahapurkar (Member, college committee), Principal of the College Dr. Prashant Chowdhury Sir. In this program Dr. Vikram Rathod, Shri. Nagesh Patil, Shri. Samadhan Navale was present in the college for the guidance and check up. The program started by lighting the lamp at the beginning. Shri. Patil Nagesh (District civil Hospital) gave detailed information about AIDS.

He explained the causes and causes of this disease. Mr. Prashant Karle then explained the five main causes of the disease. In it, he gave detailed information about the method of transmission of the disease and how to keep today's young generation away from the disease. He described the conditions of this disease all over the world in detail here. He instructed the youth on how to keep their behavior pure so that all college students should stay away from the disease as there is no cure for the disease till date.

Check up included many tests like Random blood sugar, Blood pressure, Body mass Index, Bone mass, visceral fat, Body water, dental check up etc. About 56 faculties, staff from different Institutes & departments got benefited from the same. Venkatesh Mahajan Senior College Osmanabad always looks for ways and means to contribute to the societal causes and make a difference. It was a very successful initiative.

The program was concluded by the principal of the college, Dr. Prashant Chaudhary Sir. In his speeches he appealed to the college youth to stay away from this dreadful disease or illness. He also shared information on how to make changes in your lifestyle. Information leaflets on HIV / AIDS brought from the district hospital were distributed among the college students and staff. After this, the dignitaries who came to this place gave detailed answers to the questions asked by the students of the college. All their doubts were resolved here.

After this guidance program, the 43 students, professors and staff of the college were examined. Reports of all those examined were handed over to them within two days. Vote of thanks given by Programme Officer of National Service Scheme and District Coordinator Dr. Makarand Chaudhary.

QR Code Technology in Higher Education

The purpose of using QR Code Technology is to overcome Covid-19 disaster and to continue the preparation of university examinations. By definition, QR Codes are readable barcodes that store various types of data (e.g., the URL of a website, a YouTube video, address, contact information, business card, email, plain text, among others).

Since its introduction, QR Code technology has gained a strong foothold in the field of education as more and more teachers and students are using it to revamp old ways of learning and teaching and to explore new learning opportunities that were not available before.

Create interactive and engaging content

Share resources with students

Provide help with homework

Communicate with parents and the school community

Integrate QR Codes in reading activities in and outside class

Gather student's feedback, and many more.

In continuation with above content, we have created some QR codes for B.Sc., I, II, III Year students to easy access of chemistry study materials as well as Chemistry reference books also embedded in QR code, which was used by 200+ of (UG and PG) students to access books. Simultaneously we have embedded College website, departmental website, WhatsApp groups, and admission links.

We are very much thankful to our Hon'ble Adv. Milindji Patil sahib (secretary Tapaswi public Charitable trust Yeoti), Hon'ble Sheshadri anna dange (treasure Tapaswi public Charitable trust Yeoti), Principal Dr. Prashant Chaudhari for financial and moral support.

CHEMISTRY REFERENCE BOOKS AND SYLLABUS

B.Sc I Year Syllabus B.Sc II year Syllabus B.Sc III Year Syllabus Organic Chemistry by Clayden Advanced Organic Chemistry Inorganic Chemistry by Alkin's Dept of Chemistry website

CHAPTER WISE B.SC CHEMISTRY STUDY MATERIAL

B.Sc First year SEM I

Structure and Bonding Alkene and Cycloalkanes P-Block Elements Atomic Structure S-Block Elements Mechanism of Organic Reaction Diene and Alkyenes Aromaticity Stereo-Chemistry Acyl and Acyl Halide

B.Sc Second year SEM III

Alcohols Organic Compound Equilibrium Aldehydes and Ketones Phenols Thermodynamics I Carboxylic Acids Thermodynamics II

B.Sc Third year SEM IV

Elementary Quantum Mechanics Photochemistry Compounds Organic Spectroscopy Molecular Structure and Physical properties Physical Spectroscopy Organic Systems: 12 Organic Spectroscopy Organic Systems: 12 Organic Spectroscopy

How to Use QR Code:-

Step 1. Download QR Code Reader from Play Store in your Mobile
Step 2. Find the Name of Chapter here you want to get study material
Step 3. Scan that code via QR Code Reader
Step 5. Download it in your mobile
Step 6. Best Luck study well.

Steps to Download Books

- Step 1:-**Download QR code reader in your android mobile phone from play store.
 - Step 2:-**Login in QR code reader app.
 - Step 3:-**Scan QR code by scanner and it will ask you to open in browser.
 - Step 4:-**Download book by clicking on download button.
 - Step 5:-** If link opened in Z-Library you have to Login in that website and download books.
- Note. For more update join Department of Chemistry WhatsApp which is only for boys.
