International Yoga Day (21/06/2022)

Venkatesh Mahajan Senior College, The National Service Scheme and Sports Department were jointly organized a Yoga Pranayama programme in the college on the occasion of International Yoga Day.

. The International Yoga Day was celebrated on 21st June to bring peace, harmony, happiness and success to every soul in the world. This was a great opportunity to imbibe the value of discipline. Yoga is a mental, physical and spiritual practice that needs to be carried every day. Children got the chance to know how yoga embodies unity of mind and body. The students of our college with the teachers performed Yoga between 7 am and 8:30 am. Different yoga postures like Vrikshasana, Uttaanaasana, Trikonaasana, Bhadrasana, Shashankaasana, Bhujangasana, Pawana Muktaasana, finally ended with Pranayama and meditation. Prayers were recited before and after the programme.

The theme for this year's yoga day was "Yoga for the achievement of the Sustainable Development Goals". Various asana were followed by omkar chanting. Warm-up exercises, sitting and standing asana were performed. This day is the longest day of the year also known as the summer solstice. They gave a brief history of the origin of yoga. It is a gift of India's ancient tradition. Yoga is said to be practiced from the 5th century. This was passed on to future generations. Yoga was actually done by sages as a holistic approach to God. Later on, it was passed to the common people. The event helped us feel confident and content physically, mentally and spiritually.

Dr. Vinodkumar Vaychal, Head department of Hindi, of the college, imparted training in Yoga and Pranayama. Heartfelt thanks to our Principal Dr. Prashant Choudhari for giving an opportunity for College to celebrate the International Yoga Day. This year's yoga day celebration was held with great enthusiasm at our College. A large number of students, teaching and non-teaching staff attended the event this year.

Venkatesh Mahajan Senior College, Osmanabad under the National Service Scheme department and Botany department jointly organized a Tree plantation in the college after the onset of monsoon in the month of July like every year. Similarly, tree planting was also done this year.

It was 3th January 2023; The Venkatesh Mahajan Senior College Osmanabad organized a program to plant 25 saplings and young trees to celebrate the mazi vasundhara abhiya with a unique idea. The objective of this event was to teach students, how we can save our climate from pollution. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climax ecosystem free of greenhouse gases to reduce global warming.

Students and faculty members were asked to reach 10'o clock. The program started with prayers. Mr. Sachi Ombase (District collector), Mr. Amar Sable (MLA), were invited as a chief guest there. He started the event by planting the first sapling in the corner of the college garden with his hand. About 20 seedlings were planted by the students of our campus and then watered by gardeners of the college. Teachers also participated in the tree plantation program and make a boundary of 25 plants to resist environmental pollution. The main purpose of this event was to enhance awareness about the importance of tree plantations. A total of 25 trees were planted in the college this year, including coconut root and some Medicinal plants and trees. College staff dug pits here. These pits were initially filled with manure and planted with trees.

Blood donation Camp (12/01/2023)

Birth anniversary of Swami Vivekanand and maa Jijau

A Blood Donation Camp was organized by NSS Unit, Venkatesh Mahajan Senior College Osmanabad in association with Hedgewar Blood Bank Solapur on the occasion of Birth anniversary of Swami Vivekanand and maa Jijau in college campus. The camp began at 10:00 A.M with a short inaugural function by Chief Guest of the Blood Donation Camp, honourable Chairman Adv. Milindji Patil Saheb, Dr. Seema Boob, Mr. Sunil Harare; Principal Dr. Prashant Chaudhari expressed his gratitude to the NSS unit of the College for its continuous endeavour in this regard.

Principal Dr. Prashant Chaudhari encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren and he also stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Dr. Seema Boob addressed the gathering, blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. Blood donation can save lives of innumerable persons.

Dr. Makarand Choudhari, NSS Program Officer addressed, donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it. Mr. Dinkar Rasve gives vote of thanks.

25 units of blood were donated by both students and the staff members of our Educational Institution. It is a way of our institute gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood.

They would be trained holistically to build their capacities to accept the challenge of rescue and relief and would complement the disaster responses forces available with civil administration. The youth would be equipped with the latest methods of rescue in the events e.g. floods, fire and earthquake etc, providing first aids, resuscitation and revival, evacuations, debris clearances, cordon, communication and mob control, carrying victims to ambulances, life-saving and administration of relief camps. Vote of thanks given by Mr. Dinkar Rasve.

Election Awareness Programme (25/01/2023)

National service scheme and political science department jointly organized a Voter awareness programme in the college campus on 25.01.2023. 73 students and 05 faculty members participated for awareness programme. The speaker of the awareness programme was Dr. Mahadev Harge (Department of political science VMC), Dr. Makarand Choudhari (NSS Dist. Coordinator osmanabad), Mr. Abhay shinde, Mr. Dinkar Rasve (HOD political science VMC)

One of the speaker of the awareness programme Dr. Mahadev Harge (Department of political science VMC) encouraged all the students by giving speech like Voting is an integral part of democracy, and it is necessary for people to have a voice. Everyone has the right to vote, which means that all Indians can vote for the Prime Minister of their choice. By voting, you can create change and make a difference in your community. It is also important to vote because you can only repeal a law if most citizens agree with it. Voting is one way to be more civically engaged with your government. It is vital to make a difference in the world by having your voice heard and representing the views of people who don't have a voice. If you want to create change, voting is an excellent way. Voting in election helps citizens ensure that the country is granted better rights and protection.

Our second speaker Dr. Makarand Choudhari (NSS Dist. Coordinator osmanabad) give his valuable guidance that Voting is an important civic duty that can significantly impact the future of our country. Voting helps keep politicians accountable for their actions and creates the framework for our democracy. Voting also ensures that public officials are paid with the tax amount from the people who can afford to pay them. The most consequential decision of all is how to spend tax – voting ensures that there is accountability for what goes into our government's budget. The last thing we want is for politicians to be able to spend public money without being held accountable by the public's vote.

To conclude, this voting awareness programme for students to help them understand the significance of voting in a democracy. Voting gives citizens a voice and an opportunity to participate in the democratic process. Voting also allows everyone to contribute to the shared democracy and make the government more representatives of the people. The session was interactive between speaker and students. Students have put their doubts related to how to change the address and voter identity card if they migrated from one state to other part of India.
